

## HOW2 VALIDATION EXERCISES

### EMIS Patient Précis Bar

1) If the patient is deceased, what colour will the Précis Bar be?	<input type="checkbox"/>
2) Why would the Précis Bar be Brown?	<input type="checkbox"/>
3) How do you toggle between the patient's EMIS Number and their NHS number on the Précis Bar?	<input type="checkbox"/>
4) If the PDS icon is red, what is this indicating?	<input type="checkbox"/>
5) Where will 'Child Protection' and 'Looked After Child' icons be displayed?	<input type="checkbox"/>
6) If the patient's record is protected by a Confidentiality Policy, what icon appears in the Précis Bar and where?	<input type="checkbox"/>
7) How can you view other patients who live at the same address as the Active Patient via the Précis Bar?	<input type="checkbox"/>
8) Which option opens Google Maps and displays the patient's address?	<input type="checkbox"/>
9) Add a Warning to the patient's record that is triggered when booking an appointment or when loading the patient's medical record. Allow this warning to be viewed by other organisations.	<input type="checkbox"/>
10) How would you update the patient's mobile phone number from the Patient Précis Bar?	<input type="checkbox"/>
11) Copy the patient's Name, NHS Number, Date of Birth and Address from the Précis Bar into the Clipboard and paste it into a Word document.	<input type="checkbox"/>
12) How do you clear the current patient from the Précis Bar so you don't have an Active Patient showing at all? [There is more than one way of doing this – for example, from the Précis Bar itself, and the EMIS Ball.]	<input type="checkbox"/>
